To: _____ Date: _____

Pre Watchman TEE Ablation testing:

TEE: _____ Prepping for TEE:

There is nothing to eat or drink after midnight prior to procedure. You may have a couple sips of water with your medications in the morning.

Continue taking all of your medications. Please bring your medications with you along with a list of the medications you take.

If you are diabetic, do NOT take your insulin or oral hypoglycemic the morning of the procedure unless otherwise instructed by our office.

Someone must accompany you to the hospital and take you home after the procedure. Results will be discussed with you before you are discharged.

Arrangements have been made for your Watchman implant:

(date and time)

Sign in no later than _____ A.M/P.M. at

_____ McLaren Regional Medical Center, Patient Registration on the 1st floor

If you have a dye allergy (or you are allergic to seafood, shellfish, or iodine), notify our office immediately.

If you take COUMADIN or WARFARIN **stop** taking it **five days prior to the procedure.**

If you take PRADAXA, XARELTO, ELIQUIS, or SAVAYSA (edoxaban) **stop** taking it **two days prior to the procedure.**

If you are a diabetic **do not take any insulin or pills the days of the procedure.**

DO NOT eat or drink anything after midnight prior to the procedure; *you may have a couple small sips of water to take your medications on the morning of the procedure.*

Pretest orders (blood work) need to be done 3 to 7 days prior to the study.

*You HAVE to call 2 business days before or we will cancel you and give the spot to someone else.
